1973-74 EDELIAN

Symbolizing peace, unity, and brotherhood

MRS. JINNY CHURCH

There are Blacks, Whites, Mexican-Americans, and other races and nationalities that attend Libbey High School. But color is merely on the outside. We are all one kind on the inside, and that is beautiful. There are truly many beautiful people in this school.

When we as people of different races can work and enjoy ourselves together as one, then we possess a special quality that is not found in many schools. This quality is UNITY.

Another quality found at Libbey is a special and enduring relationship between all people in this institution of learning. This relationship is entitled BROTHERHOOD.

Perhaps the most important of all is the amazing calm and peacefulness that surrounds us and seems to be a part of each person. This is PEACE.

So to the people who make the name of Libbey mean a place of unity, brotherhood, and peace, we, the staff of the 1973-74 EDELIAN dedicate this book to you — the most beautiful people in the world.

Libbey High School
Toledo, Ohio

INTRODUCING: MR. HARRY E. DENNIS PRINCIPAL

I am very happy to become associated with a school like Libbey High, because I feel that it is a school on the move. The opportunity to develop and to help in the further development of this institution present a genuine challenge.

The students are wonderful — cooperative and willing to accept the challenge to revitalize the spirit here at Libbey.

I feel that, together, we can realize the fullest potential of our students and staff to make Libbey one of the finest high schools found anywhere.

This year's Freshman team showed lots of desire and team spirit. With a couple of breaks at crucial times the team could have won the Blue Division. After a 8-0 win over Waite, the Cowboys dropped a tough decision to St. Johns 14-0. The next week, at Cardinal Stritch, the Cowboys had to settle for a 14-14 tie after leading twice in the game.

After a bad first quarter against St. Francis the Cowboys stopped the Knight attack, but could not get any points on the board, losing 14-0. In our next home game with Rogers, the Cowboys controlled the whole game. A penalty on the one foot mark kept them from scoring. Rogers scored in the last minute of the game to win 6-0. Revenge came at Bowsher, the Cowboys walked over the helpless Rebels 22-8. This gave them a 2-3-1 record in Blue Division play. In the season final, Whitmer was the opposition and got the victory 34-26.

City Champs!!

The 1973-74 Libbey Cowboy J.V. Basketball team was one of the best ever produced at Libbey. This team possessed speed, size, and a great deal of basketball skills. They put all of those things together to compile a record of 13 wins vs. 5 losses and captured the city championship. They outscored their opposition 1,049 points to 699. We average 58.5 points per game to our opponents 38.1. A spread of over 20 points per game. The young men who played on this team can't help but be successful in anything that they undertake. They are truly winners in every sense of the word. It was my pleasure to of had been able to coach such a fine group of young men. Libbey High has something to be proud of in these young men.
